

To Whom it may concern:

Due to a typographical error, the filing fee for the above referenced application was charged to be \$643. The error was the listing of 9 independent claims, when in actuality there is only 1 (a transposition of total number of claims and number of independent claims on the electronic form). Applicant therefore requests a refund of \$258, as the payment over the true filing fee of \$385. If the Office could simply reverse the charge from the credit card used, it would be greatly appreciated. Likewise, if the Office has any questions, please do not hesitate to contact Applicant's Attorney at the contact information listed below.

Respectfully Submitted,
